

## **The Mist of a Memory**

J. LeDoux

I'm ready to leave you  
I'm done with your shtick  
I don't really believe you  
Want another go at it

You left my heart  
Like a broke down car  
My nerves are frazzled  
I'm acting bizarre

My brain's in a freeze  
My minds gray  
You're like a disease  
That won't go away

There's a hole in my soul  
That you shot right through  
You're making me cold  
I got to get rid of you

You don't have to chose  
Will it be him or me  
I'm not gonna lose  
My dignity

I'm dropping you  
Like a worn out shoe  
Soon you're gonna be  
Just the mist of a memory
